## *Getting ready for a new fiscal year...*

This bulletin won't include the new officer installation, the ball or any of that fun shenanigans because it's all taking place after we go to print, on April 1st. Doesn't mean our members weren't working hard in March to finish out our a great year and ensure we are set up for success this next fiscal year.

We had an unusual situation occur in February when our Leading Knight (also ER Elect) resigned. This called for some serious scrambling. Our current ER and his First Lady stepped up to ensure we had the essentials in place to have our Inaugural Ball move forward. They handled the situation professionally and ensured our Lodge is set up for a smooth transition. This also meant a special election had to be held to elect a new incumbent Exalted Ruler. Sean Williams, who is finishing his term as a 5 year Trustee, was elected as ER for the 23-24 year on March 2nd. That's not all that's being prepped for the future around here! We've had several incredible, dedicated members step up and make some great improvement to the Lodge and Club in the past several weeks. If you haven't been by, you need to come on down and take a look. We've got the new Floor Emblem installed, new sound system in the Lodge room and new lights in the Lodge room!

*Final Message from your*  
**Exalted Ruler**

To my fellow Brothers & Sisters,

Well, it's been a fun and eventful year! I have thoroughly enjoyed the experience of not only my Exalted Ruler year, but the whole journey over the last four years. I, along with my First Lady and son Easton (the Lodge Kid), have dedicated so much time and effort from the bottom of my heart into our Lodge. I am so proud of where we all are and honestly, I feel like I'm sending a child off to college. I look forward to the future of the Lodge and all of the exciting projects that are being planned. I want to thank you for all of the support I received the whole time. I can share that I have met so many awesome people across the country and absolutely love the Elks. So many different [4636] people from so many different backgrounds, with so many different stories about their Lodges and events... always great conversations. I appreciate all of you, and for my last bulletin post, I will end with a heartfelt thank you for everything and I will always be here and available as a fellow Elk. God bless you all and I hope to see you soon!

**Sincerely,**

*Dan McMahon*

### Secretary, Anne Cox

M-T-W   11:00am - 3:00pm  
Thurs   6:00pm - close of meeting

Thanks to all for your patience in waiting for your check to clear or your member card for the next year to be mailed. If I didn't have my valiant helpers a.k.a. volunteers, I'd be buried to the hips in paperwork. They sort the mail, write receipts, paste stickers, mail cards, make cashbook entries. The data entry alone is daunting.

Please keep your green member card and continue to use it to unlock the lodge door...until it quits working. The locking mechanism will be changed out some time in April for the coming year. It looks like April 15 might be "paid up member night." You can pay your dues and be rewarded for being a paid up member. Check the Bulletin Calendar to verify the date. Delinquent members are not allowed to attend lodge meetings, but are usually given a few weeks of "grace" in April to pay dues.

If your US mailing address changes, please notify me, as I am the one who maintains the Bulletin's mailing list. If you change your email address, or if the Bulletin stops coming, AND you've checked your spam folder, you should let the Bulletin know (and me, too, come to think of it!)

## #1999Proud

Yes St. Helens Lodge, your social media adverse Loyal Knight just used a hashtag! In 10 characters it describes how I feel about our Lodge right now.

A number of us have just returned from the Spring District Deputy meeting. Even though this is a Grand Lodge driven agenda, it is always refreshing to visit with other Elks and officers from different Lodges.

Inevitably the question is asked “*How is your Lodge doing?*”. To which I respond, “*We had over 100 members at a meeting a few weeks ago.*”

*<Their jaw hits the floor>*

When they recover, I nonchalantly state it was because of an election, although we normally run 45-60 members in weekly attendance.

*<They faint... I really should carry smelling salts with me if I am going to keep doing this>*

Once revived they tell me a big meeting in their Lodge is a couple dozen members and they haven't had to ballot for an Officer chair in decades.

Okay, yeah, this was all brought about by some challenges. The details are already starting to wash away in the sand. As we move forward, remember that Brotherly Love manifests itself in good fellowship, and in kindness of thought, word and deed.

What makes me proud does not have to do with the election. I am proud so many people took their time to make their vote for the future of our Lodge. That is an engaged membership which cares!

And topping it off, this is the second year in row our Lodge has balloted on Officers. Our involved and active membership really is the envy of many other Lodges out there. (That is not to say there aren't Lodges that are even better, but we are in the top percentile and that is something to be proud of!)

As we start a new Lodge year, take a moment to reflect on what we have. It isn't a building, a view, or a bartender that knows our favorite drink. It is a passionate & growing membership. It is you, it is me, it is each other, it is all of us together. WE are St. Helens Elks Lodge #1999!

And when that pause is done, let's beware of hubris and then accelerate in to 2023-2024!

Oh, and don't forget to bring smelling salts to the Oregon State Elks Association convention in a few weeks, other Lodges may thank you.... #1999Proud

Fraternally,

**Eric Michael**  
**Lecturing Knight**

YOU MIGHT NOTICE THERE IS NO “NEW MEMBER” PHOTO IN THIS BULLETIN. WE DIDN'T FORGET IT! THE FEBRUARY INITIATION WAS CANCELLED DUE TO THE EXTREME WEATHER WE EXPERIENCED LAST MONTH. OH BUT WAIT TILL YOU SEE THE AMOUNT OF MEMBERS INITIATED IN MARCH!

## FROM YOUR EXALTED RULER ELECT

To my Brothers and Sisters of Elkdom,

As you read this message, our lodge is earnestly preparing for the Inaugural Ball. I personally would like to thank those that have spent countless hours planning and preparing for this remarkable event. As your incoming Exalted Ruler, I am very excited for this upcoming year.

Our lodge has a great team at the helm and we are eager to continue to serve this great lodge. Our first event is just around the corner with the Egg Hunt on April 8, which is to be held at McCormick Park here in St. Helens. I look forward to seeing all the jubilant kids searching for the Easter eggs and otherwise having fun. Shortly after, we have Summer Convention at the end of April in Seaside. I hope to see our lodge well represented at Convention.

Fraternally yours,

Sean Williams

## ALEXIS GONROWSKI

The SHS Elk's student of the month is Alexis Gonrowski. Alexis is one of the major leaders of our theater/drama program. She has participated in all productions, directed plays, and won prizes at regional contests. Talented students like Alexis that invest many hours in practicing for and giving these concerts for the school and community is essential to the thriving program. Within this program and in the school community, Lexi has demonstrated great leadership. She has been a member of the theater board for 2 years now and currently the president. Alexis and her scene partner, Ellen Kilman competed and were awarded regional finalists at thespians regional 2 years in a row with their duo dramatic scenes. This year, she has led the Scappoose Theatre thespian (drama) troupe and her leadership has grown our program to double its size. She has been accepted and will be attending Cornish College of the Arts where she will study for a BFA (bachelors in fine arts.) In addition, she is a near perfect student with a GPA of over a 4.0. Alexis is also committed to the National Honor Society; she and a partner put on a stellar fundraiser for their NHS project, a community open mic night that presented the talents of a variety of SHS students at the Roaring 20's Night of the Arts on December 20th at the local Cathedral coffeehouse. This event showcased our upper-classmen while raising money for the National YoungArts Foundation. Students performed various performing arts, ranging from short but amazing skits to a holiday jazz duo. Alexis is willing to go the extra step to make everyone feel included and welcome and she has brightened this school with her talent and dedication. Congratulations Alexis Gonrowski.

"She is a gem and a credit to this school and this community."

"She is a near perfect student and is deeply committed"

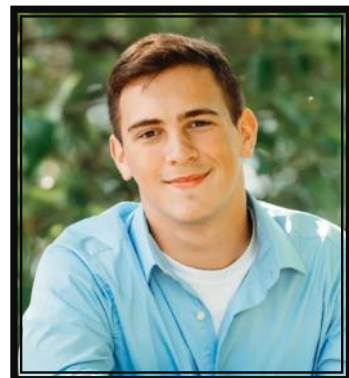

" She is dedicated, hard working, kind, and a community leader"

"Alexis Gonrowski demonstrates a dedication to her school assignments and class participation."

## COLTON FREEMAN

St. Helens High School is pleased to announce that Colton Freeman has been selected as the Elks Student of the Month for February. Colton was, "Honored and excited", when he found out that he had been selected. He also said, "I have worked so hard towards this and I cannot begin to express how grateful I am to have been bestowed this award.

Colton is an outstanding student, leader, community member, and all-around great human being. He has played football for four years and track and field for three; he is the captain of the robotics team; been a part of the high school leadership team since freshman year, and is currently the Senior Class President; he has also been the treasurer of the National Honor Society for the last two years and if that is not enough he is also the student representative to the St. Helens School Board!

As for other activities, (which seem impossible with all that he is involved in,) he does find time to volunteer at the Columbia Humane Society, worked as a counselor at Camp Invention and a 4-H summer camp, helped with the Oregon Battle of the Books competition and participated in various town clean-ups. Colton is the type of person who wants to do it all and works hard to be a part of everything all while making sure that everything is done well!

Colton is planning on attending Oregon State University Honors College this fall for civil engineering to pursue his dream to get a Masters and then Doctorate and becoming a professor in engineering.

When asked about his best attribute he thought that his ability to effectively interact with a wide range of people from different backgrounds and personality types is something he really enjoys and feels good about.

Overall Colton is just an outstanding person and someone that St. Helens High School is proud to call their own.
