Message from your
Exalted Ruler

To my fellow members,

We made it through December! It was a busy month, as always, but we made many memories and caused many smiles. Christmas ships was busy, Tom & Jerry Night was a packed house, Kids Christmas was a success, we held numerous banquets bringing great business to our lodge as well as new faces that might not have known about our great facility. Here's to a happy and healthy New Year! May 2023 be even better for all of us. My thoughts and prayers go out to all of you as brothers and sisters in this lodge.

Sincerely,

Dan McMahon

Exalted Ruler

Wherever Elks may roam, whatever their lot in life may be, when this hour falls upon the dial of night, the great heart of Elkdom swells and throbs. It is the golden hour of recollection, the homecoming of those who wander, the mystic roll call of those who will come no more.

Living or dead, Elks are never forgotten, never forsaken. Morning and noon may pass them by, the light of day sink heedlessly in the West, but ere the shadows of midnight shall fall, the chimes of memory will be pealing forth the friendly message, "to our absent members."

"From your Leading Knight"

Wow. 2022 is in the rear view mirror. A huge thank you goes out to all the members of our lodge for making it an absolute success. I'm amazed at the generosity of the members that go above and beyond, showing what elkdom means. Here comes the hoop shoot, let's show our community what we do best. Happy New Year to everyone and let's have a productive new year.

Happy New Year to all!
(What happened to
December???) Don't forget
Dance Night on January 10.

Remember to let your secretary know if you have moved or if you have relocated from one alternating address to the other. She is not a mindreader...

This is turning out to be a banner year for new membership. On April 1 there were 707 of us, now we are approaching 800!

I hope you will check out the option of paying your dues online, no stamp to lick, no secretary to phone, easy, easy...and Please, *please* keep this year's green member card and use it to unlock the lodge door...until it doesn't work any more. Then you can throw it away, not before! On April 1, those who have not yet paid dues for the 2023/24 year will become delinquent members. However, our lodge gives these people a two or three week "grace period" in April to get their dues paid. After which the door lock will no longer work for the current year's green card.

GET TO KNOW AUSTIN:

AUSTIN HATTON

The SHS student of the month for November is Austin Hatton. Austin is responsible and strives to do well in school. His teachers and classmates value his kindness and compassion for others and he is an inspiration for both. Those around him will detail his perseverance and amazing sense of humor. Austin is the captain of the dance team and always leads his team to success, his talent never goes unnoticed by those around him who have nothing but the best to say about him, his hard work, and his pure talent. He never fails to assist his teachers and his peers with tasks and will always give his 100% in his classes. Austin says that he is proud of how far he has come, all of the amazing chances and opportunities he has had, and all of the friends he has made at SHS.

Teachers have this to say about Austin -

“Austin has infectious good cheer and is very passionate about the things that he loves. He is always willing to lend a helping hand to any friend in need and brightens every room he is in.”

“Austin is a valuable addition to my three classes. He balances a hectic schedule with grace and is always willing to lend me or other teachers a helping hand.”

“If your actions inspire others to dream more, learn more, do more, and become more, You are a leader- John Quincy Adams

Mr. Hatton's presence and persistence light up the room and inspire others around him including me. “

GET TO KNOW KAYLA:

KAYLA TRENAMAN

What are your thoughts on being selected as the Elks Teen of the Month?

I'm grateful to have been selected. I can honestly say that I am surprised because I would consider myself a very average student and one who doesn't stand out. I appreciate the recognition.

What activities are you involved in at school and in the community?

What awards have you received?

I have been involved in the Soccer team for four years and the Golf team for two years. I got a Varsity letter all four years for soccer and the

“Coaches Award” this season. I participated in Lion Crew for two years as a guild to incoming freshmen. On numerous occasions, I volunteer my help with helping leadership set up for school events. Over the years I have volunteered for the St. Helens Recreation Center helping with youth soccer camps.

What are your future plans?

I have been accepted into the Oregon Institute of Technology and plan to study Pre-Medical Imaging.

What is your best quality? Why do you say that?

My best quality is my ability to be logical because it helps me make decisions. I don't decide to say or do anything without thinking it through.

What are your hobbies/interests?

My biggest hobby is reading, but most of my free time goes to school or my job at the Pacific Athletic Club

Anything else you would like to add?

I have done multiple AP Courses including AP Biology, AP Statistics, and Honors American Literature (for the honors American literature AP test I got college credit)
